

Prayer Cycle for
Asia Minor, etc.

1914

“Have faith in God.”

—Mark xi. 22.

PRAYER UNION FOR ASIA MINOR.

“Lord, what a change within us one short hour
Spent in Thy Presence will prevail to make!
What heavy burdens from our bosoms take!
What parched ground refresh as with a shower!
We kneel, and all around us seem to lower,
We rise, and all, the distant and the near,
Stands out in sunny outline, brave and clear.
We kneel how weak, we rise how full of power,
Why therefore should we do ourselves this wrong
And others, that we are not always strong?
That we should ever be o'erborne with care,
That we should ever weak or heartless be,
Anxious and troubled, when with us is prayer,
And joy, and strength, and courage are with Thee?”

ARCHBISHOP TRENCH.

Secretaries for Prayer Union.—MRS. CONSTANTINE,
2, The Ridgway, Wimbledon, Surrey, England; and
MISS A. VAN SOMMER, Fairhaven, Ramleh, Egypt.

It is a great joy and encouragement to know that the Prayer Cycle has been a means of help to many of our Missionary friends working in these lands. We give below some of the kind words received in recent letters, as we want to share the joy with those who pray at home. Shall we not pray more, believe more, expect more, during this year?

* * * * *

“I am sure we owe much to our praying friends, and the answer is given in manifold ways to their request at the Throne of Grace; God bless you all, and fill your own life with blessing while you intercede for others.”

* * * * *

“The days are very dark—we shall especially value the prayers of Christian friends this coming year.”

* * * * *

“The influence and inspiration of those beautiful lines—

Lord, what a change within us one short hour.
Spent in Thy Presence will prevail to make!
in the Prayer Cycle, seem to give us a lift for the whole month.”

* * * * *

“It is a great support to us to feel that friends are praying for us, and for the work in our field.”

* * * * *

“I would like to take this opportunity of expressing my appreciation of . . . the Prayer List. The power of constant prayer for specific fields of work cannot be over-estimated.”

* * * * *

“Let me thank you for the help and encouragement your Prayer Cycle has been to me these past nine years. We are greatly encouraged by the answers we have received to the prayers . . . on behalf of our work. We have so much to be thankful for; may God . . . teach us to pray!”

“Delight thyself . . . in the Lord; and He shall give thee the desires of thine heart.”

PSALM xxxvii. 4.

“Be careful for nothing; but in everything by prayer and supplication with thanksgiving, let your requests be made known unto God. And the peace of God which passeth all understanding shall keep your hearts and minds through Christ Jesus.”

PHIL. iv. 6, 7.

“Pray one for another.”
