

五言古詩一首

Handwritten text in a cursive script, likely a form of shorthand or a specific dialect. The text is arranged in approximately 12 vertical columns, reading from right to left. The characters are highly stylized and interconnected, characteristic of a shorthand system. The paper is aged and shows signs of wear, including discoloration and some staining.

Handwritten text in a cursive script, likely Mongolian or Tibetan, arranged in approximately 13 vertical columns. The script is dense and flowing, with some characters resembling 'w' or 'v' shapes. There are several small circles or dots interspersed throughout the text, possibly indicating punctuation or specific syllables. The text is written on aged, yellowish paper.

Handwritten text in a cursive script, likely a form of Chinese calligraphy, arranged in approximately 15 vertical columns from right to left. The characters are fluid and interconnected, characteristic of cursive style. The text is written on aged, yellowed paper with some staining and irregular edges.

112
