

Handwritten text in a cursive script, likely Mongolian or Tibetan, written on aged, yellowed paper. The text is arranged in approximately 18 vertical columns, reading from right to left. The script is highly stylized and compact, characteristic of traditional East Asian calligraphy. The paper shows signs of wear, including irregular edges and some staining.

Handwritten text in a cursive script, likely a form of Arabic or Persian calligraphy, arranged in approximately 20 vertical columns. The script is dense and fluid, with varying line lengths and some decorative flourishes. The text is written on aged, yellowish-brown paper with some staining and wear at the edges.

192

Handwritten text in a cursive script, likely a form of Arabic or Persian, written on aged, yellowed paper. The text is arranged in approximately 15 horizontal lines, filling most of the page. The script is dense and fluid, with many small loops and flourishes. The paper shows signs of wear, including some staining and uneven coloring. The text is framed by a simple double-line border on the left and right sides.

Handwritten text in a cursive script, likely a form of Arabic or Persian, written on aged paper. The text is arranged in approximately 15 horizontal lines. The script is dense and fluid, with many characters connected together. There are some larger characters and diacritics visible throughout the text. The paper shows signs of age, including discoloration and some wear at the edges.

Handwritten text in a cursive script, likely a form of Arabic or Persian, filling the main body of the page. The text is arranged in approximately 20 horizontal lines, with some characters appearing to be stylized or decorative. The script is dense and fills most of the page's width and height.

Handwritten text or a signature located on the left margin of the page, oriented vertically.

Handwritten text in a cursive script, likely a form of Arabic or Persian, written on aged paper. The text is arranged in approximately 15 vertical columns, reading from right to left. The script is dense and fluid, with many characters connected together. The paper shows signs of age, including discoloration and some wear at the edges.

Handwritten text in a cursive script, likely a form of Urdu or Persian, written on aged paper. The text is arranged in approximately 18 horizontal lines, filling most of the page. The script is dense and fluid, characteristic of historical South Asian calligraphy. The paper shows signs of age, including yellowing and some staining.

Handwritten text, possibly a signature or a small note, located on the left side of the page. It is written in the same cursive script as the main body of text.

Handwritten text in a cursive script, likely a form of Arabic or Persian, written on aged paper. The text is arranged in approximately 18 horizontal lines, filling most of the page. The script is dense and fluid, with some characters appearing to be ligatures or specific dialectal forms. The paper shows signs of age, including discoloration and some minor damage or staining, particularly a dark spot in the lower-left quadrant. The text is framed by two vertical lines, one on the left and one on the right, which are slightly irregular. The overall appearance is that of a historical manuscript or a page from an old book.
